Mr. Yah Lin "Charlie" Trie, President Diahatsu International Trading, Inc. P.O. Box 1816 Little Rock, AR 72203

Dear Charlie:

I am pleased to hear that you are establishing a branch of your company, Diahatsu International, in the People's Republic of China.

I fully recognize the trade potential and contribution to Arkans by such a venture. I trust and believe that your expansion to China will continue interaction and trade between Arkansas and China. I know that you and your company can serve as a bridge o goodwill and exchange of mutual interest and benefits between China and the U.S.

I understand that while in Arkansas, the delegation from Changch City met with officials from A.I.D.C. As you know, I have alway felt it important to promote Arkansas and her industry and products.

I wish you success in your new venture, and I appreciate your efforts for our state. Please let me know about your progress.

Sincerely,

Bill Clinton

HEMORANDUM FOR THOMAS F. HCLARTY

FROM:

ANTHONY LAKE 1

SUBJECT:

Request for Presidential Photo Opportunity with

PRC Governor and Delegation

Arkansas' State Auditor wrote requesting a photo opportunity with the President April 14 on behalf of a visiting PRC delegation. The event is being promoted by Charlie Trie, a friend of the President's according to the incoming from Arkansas. As president-elect, the President promised the delegation a warm velcome in Arkansas and suggested they contact the Arkansas Governor's office if he could be of service in the future.

The delegation is led by a governor; immediately after his visit another delegation, led by a PRC Vice Minister, arrives in Washington. If we arrange for the governor to meet with the President, we will also need to arrange a similar meeting for the Vice Minister, who outranks him. Foreign provincial officials do not normally meet with heads of state.

Kris Cicio has been in touch with Arkansas to explain the situation. They understand and are amenable to a meeting with Kent Wiedemann.

RE: Camelot Hotel

Dear Ladies and Gentlemen:

The purpose of this letter is to request that the Board of Directors of the City of Little Rock take appropriate action to reconsider the vote cast on Monday, May 16, 1994 to award the contract for the renovation and management of the Camelot Hotel to the Logan Group.

My reason for making this request is that the newspaper accounts of the procedures for making the determination, and statements made during the deliberative process make it mandatory that the Board give the applicants the opportunity to respond to concerns expressed at the meeting.

I do not represent any of the applicants. However, I do have extensive dealings in China and am deeply concerned that the statements made during and at the hearing concerning the Chinese are both inappropriate and offensive; and also that unless the applicants are permitted to respond to those inappropriate statements prior to a definitive vote being taken, the reputation of the City of Little Rock and of Arkansas will be badly tarnished to the detriment of the City of Little Rock, the State of Arkansas and the United States.

The matters which I believe require additional information for the Board include the following:

- 1. Background and financial information on the Chinese investors.
- 2. Full information concerning the announced joint venture of the applications submitted by the Chinese group and Madden Group, including complete financial information on the Madden Group, and on any of the other applicants who are being considered.

Explanation as to why the procedure specified by the Board for a recommendation from the A & P Commission for three qualified applicants was not adhered to by the A & P Commission; and an explanation of why the representatives of the consulting firm to the A & P Commission was permitted to engage in active lobbying in respect to the deliberations, as opposed to merely providing a consultants report.

In summary, I believe it is essential to the maintenance of the integrity of the Board of Directors of the City of Little Rock that a reconsideration of the vote be brought up by for a vote of the Board.

Very truly yours,

C. J. Giroir, Jr.
